ANNUAL GALA

OCTOBER 15, 2026
THE ENVIO | PORTSMOUTH, NH

ABOUT THE EVENT

Join us for **HAVEN's Changing Lives Gala**, an unforgettable evening dedicated to celebrating resilience, amplifying hope, and advancing the movement to end domestic and sexual violence.

This inspiring event brings together Seacoast business leaders, advocates, and community changemakers for a powerful celebration of courage and transformation. Guests will experience moving mission moments, heartfelt reflections from HAVEN's leadership, and compelling survivor stories that illuminate the profound impact of our shared commitment to safety, healing, and empowerment.

Through immersive experiences and impactful accounts, you'll witness how HAVEN's comprehensive model, encompassing prevention, education, crisis response, housing, and survivor support—creates real, lasting change across 48 New Hampshire communities. Together, we honor the survivors who inspire us, the advocates who stand beside them, and the collective strength of a community that believes everyone deserves to live free from violence.

"There was no Haven for me...there was nowhere that I could go...there wasn't anyone to help me. But by the grace of God, I stand here today. I didn't do anything wrong. I didn't know what was going on with my body. No one would talk to me. I was always made to believe it was my fault. The things that you do for the people that come to HAVEN, they need it! It took me a long time to pull my life together, but I managed to go to college and raised three boys by myself."

WHO WE ARE

HAVEN is the largest crisis center in New Hampshire, serving 48 cities and towns across Rockingham and Strafford counties, a safety net covering a third of the state.

Our mission is to prevent sexual assault, domestic violence, and stalking, and to support and empower all women, men, non-binary and transgender adults, youth and families to heal from abuse and rebuild their lives.

At HAVEN, we are committed to improving the health and well-being of children and families by preventing abuse and providing support to those impacted by domestic violence and sexual assault. We believe that through education, support, and social change we can eliminate domestic and sexual abuse.

We are proud to be celebrating 10 years since our merger, and 46 years of empowerment. Business partners like YOU make it possible for us to do the important work that we do every day. We hope that you will partner with us as we build stronger and healthier communities throughout the Seacoast.
