“When I say you’re changing the world, please believe I mean that. If you can help ONE person through ONE moment by giving them the power of strength...then you’re changing the world!”

~ HAVEN Client, Victim-Survivor

WHO WE ARE

HAVEN is the largest crisis center in New Hampshire, serving 48 cities and towns across Rockingham and Strafford counties, a safety net covering a third of the state.

Our mission is to prevent sexual assault, domestic violence, and stalking, and to support and empower all women, men, non-binary and transgender adults, youth and families to heal from abuse and rebuild their lives.

At HAVEN, we are **committed** to improving the health and well-being of children and families by preventing abuse and providing support to those impacted by domestic violence and sexual assault. We believe that **through education, support, and social change we can eliminate domestic and sexual abuse.**

We are proud to be celebrating 10 years since our merger, and 46 years of empowerment. Business partners like **YOU** make it possible for us to do the important work that we do every day. We hope that you will partner with us as we build stronger and healthier communities throughout the Seacoast.

CHANGING LIVES GALA

October 16th, 2025 at The Envio

The Changing Lives Gala is HAVEN’s signature fundraising event and promises to be a night of decadence with a cause. This vibrant, festive occasion welcomes over 200 guests for an evening dappled with light, hope and positivity. Featuring an inspiring keynote speaker, outstanding food and drink, from beginning to end, the Gala is a joyous and moving experience for all who attend. Browse auction items and enter raffles while visiting with colleagues, friends, and HAVEN staff. And when you remember that the reason you are here is to support the vital work that HAVEN does every day, you will feel even more delighted that you came. This will be an affair to remember, commemorating 46 years of education, empowerment and advocacy.

We can’t do what we do without you, and it wouldn’t be the same without you there.

YOUR SPONSORSHIP MAKES SAFETY POSSIBLE

HAVEN works every day to end domestic and sexual violence — and with your support, we can reach even more survivors, children, and communities with life-changing resources and education.
